

## Comments for Monica Unger-Bady at 'Filing Variations', 28 – 29 June 2011

Dear Monica,

Many thanks for your participation at the Filing Variations conference this week, contributing towards a successful event. There was some very good feedback from the evaluation forms and some great comments from the delegates on site:

- Very good speaker and informative
- Presentation too long so little time for discussion left
- Very useful to make stand implementable
- Interesting discussion in what other companies are experiencing
- Delivery was good
- Not enough time to discuss
- Great, very hot topic, good inputs
- Excellent
- Very interesting discussion
- Useful information
- Very good discussion on a very pertinent subject. However we didn't get to any substantial conclusion
- Time not sufficient to cover all issues

I hope you enjoyed the event and I look forward to working with you in the future.
